## Abstracts

IAL Consultants has published an updated and extended detailed directory of companies involved in the manufacture of polyurethane (PU) systems covering Western and Eastern Europe, the Middle East and Africa. This publication brings together in one convenient source the most up-to-date information available on more than 70 systems houses in the following countries:

Belgium

Czech Republic

France

Germany

Greece

Iran

Israel

Italy

Kuwait

Latvia

Netherlands

Poland

Russia

Saudi Arabia

Slovenia

South Africa

Spain

Switzerland

Syria

Turkey

United Arab Emirates

United Kingdom

In addition, summary information is also included for the major manufacturers of systems including:

Dow

Huntsman Polyurethanes

BASF (Elastogran)

Bayer

This publication provides profiles of both major and smaller independent PU systems houses.

Each company profile is based on the following structure (where data is available):

Contact details

Ownership details

Number of employees

Annual turnover

Annual systems production capacity

System types and applications

Trade names

Details of sales offices/agencies/distributors

Website address
