Abstracts

IAL Consultants is pleased to announce the availability of a new edition of its directory on the sandwich panel industry in Latin America. This publication brings together the most up-to-date information available on the producers of sandwich panels in South America and Mexico.

This directory continues IAL's series of publications on sandwich panel manufacturers, which includes Western Europe, Eastern Europe, North America, and the Middle East.

This new publication provides profiles of more than 70 manufacturers of sandwich panels in Latin America. Research for the publication was undertaken by contacting each company directly by email and telephone in order to verify details of their business activities. It was conducted by an analyst based in South America.

Each company profile contains the following:
