Abstracts

Europe remains a key market for the coatings industry as most of the high premium paint and coatings products are sold there. As such it will remain an important region for revenues of the major companies in this industry.

IRL, as part of its ongoing industry review, is pleased to announce the publication of The Top 50 Paint & Coatings Companies in Europe, 1rd Edition. The study revises previous data obtained from the industry in the region and contains new and updated information from 2009/10 IRL's Top 50 studies are useful summary publications which provide a selection of key data and a more in-depth directory-style overview of the leading paint companies in the region.

Part 1 provides a concise statistical summary of the industry:

- Global market split by region

- Global market split by application

- Per capita demand in Europe

Part 2 provides concise profiles of the top 50 leading paint companies, in each case including the following information:

- Financial data for 2010

- World HQ/ key regional offices

- Postal address

Telephone number

Fax number

Main website
