Abstracts

This study covers the latent demand outlook for crib-size mattresses, mattress inserts, and other mattresses excluding innerspring mattresses across the states and zip codes of the United States. Latent demand (in millions of U.S. dollars), or potential industry earnings (P.I.E.) estimates are given across some 10,833 zip codes in the United States. For each zip code in question, the percent share the zip code is of its state and of the United States as a whole is reported. These comparative benchmarks allow the reader to quickly gauge a zip code vis-à-vis others. This statistical approach can prove very useful to distribution and/or sales force strategies. Using econometric models which project fundamental economic dynamics within each state and zip code, latent demand estimates are created for crib-size mattresses, mattress inserts, and other mattresses excluding innerspring mattresses. This report does not discuss the specific players in the market serving the latent demand, nor specific details at the product level. The study also does not consider short-term cyclicalities that might affect realized sales. The study, therefore, is strategic in nature, taking an aggregate and long-run view, irrespective of the players or products involved.

This study covers crib-size mattresses, mattress inserts, and other mattresses excluding innerspring mattresses as defined by the North American Industrial Classification system or NAICS (pronounced "nakes").

The NAICS code for crib-size mattresses, mattress inserts, and other mattresses excluding innerspring mattresses is 3379104. It is for this definition that aggregate latent demand estimates are derived. Crib-size mattresses, mattress inserts, and other mattresses excluding innerspring mattresses is specifically defined as follows:

3379104 Other mattresses, incl. crib mattresses and mattress inserts

33791041 Other mattresses

3379104111 Crib size mattresses, including crib size mattresses made with cotton felt, hair, innersprings, latex foam, and polyurethane

3379104121 Foam core mattresses, excluding foam core crib size mattresses

3379104131 Other mattresses (including mattresses made with cotton felt, hair, and inflatable air chambers), excluding hybrid type flotation ensemble mattresses and electric adjustable ensemble mattresses

3379104141 Mattress inserts for dual purpose sleep furniture and mattresses for futons
