

France's superfast access development programme: Public Initiative Networks Insight

<https://marketpublishers.com/r/F9E46271AAF9EN.html>

Date: October 2019

Pages: 28

Price: US\$ 550.00 (Single User License)

ID: F9E46271AAF9EN

Abstracts

This report analyses France's superfast access rollout policy.

It details:

The current scheme (goals, regulatory measures, financial support), the technologies employed and how it applies across the country.

Superfast access Public Initiative Network (PIN) rollouts: management system, infrastructure operators, services provided.

A synthesis that enables readers to:

Analyse the national programme's status with respect to set objectives, and to take stock of the latest developments;

Have an operator's view of the French programme.
