

IoT in the NewSpace era: Will this shake up the satellite industry?

<https://marketpublishers.com/r/I6FE0FF4FC70EN.html>

Date: January 2020

Pages: 49

Price: US\$ 2,750.00 (Single User License)

ID: I6FE0FF4FC70EN

Abstracts

This report analyses the main satellite market trends and their impact on IoT markets.

It explores technological developments, how well satellite suits each of the target vertical markets, as well as market dynamics (strengths and weaknesses).

It also provides market volume forecasts (the installed base of IoT objects) up to 2025:

Breakdown by network technology

Breakdown by vertical, for each of the 10 markets examined (transport, logistics, agriculture, manufacturing, security, military, mining & public works, public safety, oil & gas, energy)

Contents

1. EXECUTIVE SUMMARY

2. ANALYSIS OF TECHNOLOGIES AND ARCHITECTURES

- 2.1. Satellite and IoT: strengths and weaknesses
- 2.2. GEO, MEO and LEO
- 2.3. Low earth orbit's compatibility with IoT
- 2.4. What architectures for satellite IoT?
- 2.5. IoT and frequency bands
- 2.6. Impact of satellite mass

3. ANALYSIS OF ADDRESSABLE SATELLITE IoT MARKETS

- 3.1. Satellite IoT value chain
- 3.2. Aligning with the needs of categories of player and verticals
- 3.3. Precision agriculture
- 3.4. Environmental monitoring
- 3.5. Fleet monitoring
- 3.6. Livestock monitoring
- 3.7. Construction
- 3.8. Energy
- 3.9. Map of markets and players' current positioning
- 3.10. Market analysis
- 3.11. What ARPU for tomorrow's satellite IoT

4. ECOSYSTEM ANALYSIS

- 4.1. Summary of player strategies
- 4.2. Player benchmark
- 4.3. Eutelsat
- 4.4. Fleet Space technologies
- 4.5. Globalstar
- 4.6. Hiber
- 4.7. Inmarsat
- 4.8. Iridium
- 4.9. Kineis
- 4.10. Lacuna Space

4.11. Myriota

4.12. Orbcomm

5. MARKET ANALYSIS

5.1. Satellite IoT: strengths and weaknesses

5.2. Strengths

5.3. Weaknesses

6. MARKET ESTIMATES AND FORECASTS

List Of Tables

LIST OF TABLES AND FIGURES

2. Analysis of technologies and architectures

Geostationary orbit does not enable coverage of the globe's extremities

Main applications by orbit

Orbital coverage and period

How a low earth orbit satellite works (carry & forward)

The different satellite IoT architectures

Pros and cons of direct and indirect connections

Different frequency bands used by satellite IoT

Use of frequency bands by satellite IoT players

3. Analysis of addressable satellite IoT markets

Satellite IoT value chain

How well suited satellite solutions are to different players and types of application

How well suited is satellite to deliver precision agriculture solutions

How well suited is satellite to deliver environmental monitoring solutions

How well suited is satellite to deliver fleet monitoring solutions

How well suited is satellite to deliver livestock monitoring solutions

How well suited is satellite to deliver solutions to the construction sector

How well suited is satellite to deliver solutions to the energy sector

Map of target markets and players that are currently commercially active (December 2019)

Satellite players' development strategies for the IoT market

Comparison of IoT product prices

4. Ecosystem analysis

Constellations that have launched a commercial activity

Other main IoT-centric LEO constellation projects

Eutelsat' IoT First: a classic solution for a GEO player

How the Fleet Space Technologies solution works

How the Simplex network works

Breakdown of pre-booked Hiber customers as of March 2019

Iridium subscribers and revenue in 2016-2018

Myriota message pricing

5. Market analysis

5G IoT timeline

6. Estimations et pr?visions de march?

Progression of the number of connected objects with a satellite module

Progression of the number of connected objects with an unlicensed LPWAN module whose message will transit via satellite

I would like to order

Product name: IoT in the NewSpace era: Will this shake up the satellite industry?

Product link: <https://marketpublishers.com/r/l6FE0FF4FC70EN.html>

Price: US\$ 2,750.00 (Single User License / Electronic Delivery)

If you want to order Corporate License or Hard Copy, please, contact our Customer Service:

info@marketpublishers.com

Payment

To pay by Credit Card (Visa, MasterCard, American Express, PayPal), please, click button on product page <https://marketpublishers.com/r/l6FE0FF4FC70EN.html>

To pay by Wire Transfer, please, fill in your contact details in the form below:
