Abstracts

Thailand medical tourism market surpassed US$ 4.6 Billion mark in 2016. Thailand, being a world leader in medical tourism, has world-class medical facilities with its high-profile private hospitals and clinics. Thailand has been one of the favorite medical tourism destinations for all over the world. This may be primarily due to the cultural heritage, state-of-the-art medical facilities, personalized hospitality and reasonable medical costs. Thailand's medical tourism industry is likely to grow at an impressive rate primarily due to its expanding network of medical facilities catering to international visitors and proactive marketing by tourism officials.

Among the top source market for Thailand Medical Tourism, Japan topped the list being followed by Asia. Middle East is standing at the third spot in terms of medical tourist arrivals in Thailand. United States and South Asia and Britain stands at fourth, fifth and sixth position respectively in terms of medical tourist arrivals to Thailand. Thailand is witnessing an increase in medical tourist arrivals from various countries like Australia, Taiwan and China, South Korea, France and Germany among others.

This is the 2nd edition report on Thailand Medical Tourism Industry by iGATE RESEARCH. The report entitled "Thailand Medical Tourism Market and Forecast To 2022" provides a comprehensive assessment of the fast-evolving, high-growth Medical Tourism Landscape in Thailand. This 84 Page report with 64 Figures and 2 Tables provides a complete analysis of Top 15 source country for medical tourist arrivals in Thailand.
