This new directory of education foundations, trusts, and grant-making NGO's and other similar non-profit institutions provides a comprehensive picture of charitable education activity across the USA!

This comprehensive new directory lists every national and international foundation, NGOs and other charitable and grant-making organizations across the USA associated with education. All of the established education foundations and NGOs are included, as well as some of the less well-known grant-making organizations. Presenting names and contact details for hundreds of institutions, this new directory is the most comprehensive and up to date information on this growing sector.

Entries:

Entries are arranged alphabetically

Each entry contains the institution's name, postal, internet and e-mail addresses, telephone and fax numbers, details of its function, activities, geographical area of activity, and key executives where available.

Includes an index of foundations, by geographical area of operations and by main activities.

The Directory would be an important reference resource to education organizations, public and academic libraries, foundations and other grant-making and grant-seeking

organizations and institutions concerned with or interested in the work of education in the USA.

The American Directory of Education Foundations is the indispensable reference work for all who work in education and who need up-to-date, reliable information on education sponsorship and institutions.
