The market segmentations by Sales channel are Specialized Pet Shops, Hypermarkets, Internet Sales, and Others (Grocery, Non-Grocery Stores). The segmentation on the basis of geography includes North America, Europe, Asia-Pacific, South America and Africa.

The changing approach to consumers towards owning pets and the health of their pets is driving the market. The demand is rising due to the trends of nuclear families with pets treated as a part of the family. They are looked after with equal care in terms of health, lifestyle and eating habits. The concept of pet humanization where the pets are given a treatment pertaining to their health and hygiene, as a trend is not only driving the market but also governing the major changes in the packaging and also supplying ethically-viable goods and products.

With a recent rise in NGO, the adoption of pets is accelerated due to the awareness of the concept of pet humanization concluding in high sales of Pet Food. With obesity being a major concern among the pet owners, more and more owners are opting for healthy pet food. Pet allergies or allergies to certain ingredients of food products are major market restraints. The innovation of pet food products, adopting pets due to the concept of pet humanization and obesity or health care of pets are the major drivers for the market growth.

REGIONAL INSIGHTS

The largest market share in Pet Food industry is accounted by North America with approximately over 40% of global market share. Europe accounts for the second largest market while Asia- Pacific holds around 9% of the global Pet Food market share. With growing awareness of animal and pet treatments and the trend of owning pets across the globe has resulted in leading the growth of the market. The analysis of Pet Food industry indicates the growth of United States in North America with the highest CAGR during the forecast period.

COMPETETIVE INSIGHTS

The leading market players of Pet Food market are Mars Inc., Del Monte Foods Co., Nestle SA, Colgate-Palmolive Co., Uni-Charm Corp, Mogiana Alimentos SA, Deuerer and Yamahisa Pet Care amongst other.
