Abstracts

The Cameroon Agribusiness Report 2015 features Emerging Markets Analysts (EMA)'s market assessment and independent forecasts for production, consumption and trade across core agricultural commodities.

EMA's Cameroon Agribusiness Market Report 2015 includes independent commodity price forecasting and analysis for key agricultural outputs, an overview of the agribusiness competitive landscape and a discussion of the downstream context of agricultural production in relation to country food consumption forecasts and composite food and beverage trade forecasts.

What makes this report unique?

The report also presents a unique blend of qualitative analysis combined with extensive quantitative data including global, regional and country outlook and country forecasts from 2015 -2020 - all highlighting strategic business opportunities.

Key Benefits

Use EMA's independent industry forecasts to test other views - a key input for successful planning in dynamic agribusiness markets.

Apply EMA's medium-term commodity price analysis to assist with budgetary planning and the identification of investment opportunities and potential risks.

Assess the activities and market position of your competitors, partners and clients.
