Abstracts

These top-line data reports are a very cost-effective option, which is designed to provide the industry with the main features of the paints and coatings market in each country.

Data was built and modelled based on the extensive research that IRL conducts on a regular basis for the key paint markets in the world and crossed-checked against several macro-economic, construction and demographic indicators.

If more detailed in-depth analysis is required then please contact IRL to enquire about In-depth Single Country Reports, End-Use Industry Reports or access to IRL's Database Service.

Report	Industry Scope:
	Architectural
