Abstracts

The Indian hospitality industry has emerged as one of the key industries driving growth of the services sector in India. The fortunes of the hospitality industry have always been linked to the prospects of the tourism industry and tourism is the foremost demand driver of the industry. The Indian hospitality industry has recorded healthy growth fuelled by robust inflow of foreign tourists as well as increased tourist movement within the country and it has become one of the leading players in the global industry.

The industry is likely to experience robust growth on the back of rising disposable incomes and favorable industry statistics. The market is estimated to reach US\$ 30 billion by 2015.
