Competitor Analysis: TNF Antibodies 2015– Biosimilars and Biosuperiors of Humira, Remicade and Enbrel

The present Competitive Intelligence report about TNF Antibodies 2015– Biosimilars and Biosuperiors of Humira, Remicade and Enbrel provides a competitor evaluation in the field of recombinant antibodies targeting tumor necrosis factor (TNF) alpha or its receptor used to treat various inflammatory and autoimmune diseases as of March 2015. Purchase of the downloadable pdf report includes a 6-month online access to the data of the report and any updates since the publication date. Credentials to access the database will be sent by e-mail and allow online work with the project data to print or export an individual report.

The five branded anti-TNF antibodies Humira, Remicade, Enbrel, Simponi and Cimzia together achieved global sales of US\$ 34. 4 bln (+12. 9%) in the year 2014. While the first biosimilars of Humira, Remicade and Enbrel are already marketed in less regulated countries such as India and China, it is only in February of 2015 that a biosimilar TNF antibody has been launched in the European Union. The Marketing Authorization Applications of further two biosimilar TNF antibodies have been just been submitted to the European Medicines Agency and the clinical pipeline of is rather full.

The report includes a compilation of currently active R&D projects of TNF targeting antibodies for treatment of inflammatory and autoimmune diseases. In addition, the report lists company-specific R&D pipelines of TNF antibodies. Competitor projects are listed in a tabular format providing information on:

Drug Codes,

Target / Mechanism of Action,

Class of Compound,

Company

Product Category,

Indication,

R&D Stage and

additional comments with a hyperlink leading to the source of information.

About Competitor Analysis Series:

The Competitor Analysis Series delivers NO-FRILLS, but concise information about the pipeline of R&D projects for targets, diseases, technologies and companies at low prices. The information is provided in a tabular format and fully referenced.

Contents

1. TNF Antibodies 2015 – Biosimilars and Biosuperiors of Humira, Remicade and Enbrel

Tab. 1: Approved and marketed indications of anti-TNF antibodies in regulated markets

Tab. 2: Additional indications of branded anti-TNF antibodies under development

Tab. 3: 2014 Sales of anti-TNF Antibodies

Marketed TNF Antibodies

Humira Sales & Pipeline

Remicade Sales & Pipeline

Enbrel Sales & Pipeline

Simponi Sales & Pipeline

Cimzia Sales & Pipeline

Biosuperior / Biobetter TNF Antibodies

Biosimilar TNF Antibodies

Humira Biosimilar Antibody Pipeline

Remicade Biosimilar Antibody Pipeline

Enbrel Biosimilar Antibody Pipeline

Cimzia Biosimilar Antibody Pipeline

2. Corporate TNF Antibody Biosimilar & Biosuperior Pipelines
