Abstracts

The report requires updating with new data and is sent in 48 hours after order is placed.

In this report, LP Information studies the present scenario (with the base year being 2017) and the growth prospects of global Pawn Shop market for 2018-2023.

Pawn shop is a unique place for cash loans and selling or buying a wide range of items including jewelry, tools, electronics, guns, and other merchandises at a payment cost agreed upon by both the parties. These shops are a great option to retail old and unimportant products at a reasonable price rather than sell the products at a scrap shop. They are handled by knowledgeable staff for better value prediction and authentication of the product during resale.

Over the next five years, LPI(LP Information) projects that Pawn Shop will register a xx% CAGR in terms of revenue, reach US\$ xx million by 2023, from US\$ xx million in 2017.

This report presents a comprehensive overview, market shares and growth opportunities of Pawn Shop market by product type, application, key companies and key regions.

To calculate the market size, LP Information considers value generated from the sales of the following segments:

Segmentation by product type:

Consumer Lending (Secured Loans With Personal Property Used as Collateral)
