Acumatica channel partners work in conjunction with Acumatica to resell its products and services, often with customizations specific to each individual buyer. In addition to the value-added reselling of these tools, many Acumatica channel partners also offer implementation services. In situations where partners do not offer those services, buyers can utilize the services of companies that specialize in software implementation to assist with installation and training. Acumatica is a leading provider of cloud ERP and cloud accounting software. Buyers in the non-for-profit field and other mid-sized businesses can benefit from this platform.
