According to our LPI (LP Information) latest study, the global Agave Liquor market size was valued at US\$ million in 2023. With growing demand in downstream market, the Agave Liquor is forecast to a readjusted size of US\$ million by 2030 with a CAGR of % during review period.

The research report highlights the growth potential of the global Agave Liquor market. Agave Liquor are expected to show stable growth in the future market. However, product differentiation, reducing costs, and supply chain optimization remain crucial for the widespread adoption of Agave Liquor. Market players need to invest in research and development, forge strategic partnerships, and align their offerings with evolving consumer preferences to capitalize on the immense opportunities presented by the Agave Liquor market.

Demand for tequila and mezcal has increased in recent years, spurring interest among consumers and brand owners in alternatives to tequila. Brand owners are capitalizing on the growing demand for agave spirits in a number of ways, for example, by using agave plants grown outside of Mexico to produce the spirit; by importing Mexican agave and distilling it elsewhere; or even investing in non- Traditional Mexican tequilas made with tequila or mezcal, such as Pernod Ricard's recently announced Nocheluna Sotol in partnership with Casa Lumbre and Lenny Kravitz.
