An animal theme park, also known as a zoological theme park, is a combination of a theme park and a zoological park, mainly for entertainment, amusement, and commercial purposes. Many animal theme parks combine classic theme park elements, such as themed entertainment and amusement rides, with classic zoo elements such as live animals confined within enclosures for display. Many times, live animals are utilized and featured as part of amusement rides and attractions found at animal theme parks.

The global Animal Theme Parks market size is projected to grow from US\$ million in 2023 to US\$ million in 2030; it is expected to grow at a CAGR of % from 2024 to 2030.
