Brand Top-Level Design Consulting is a high-level consulting service that starts from the overall development goals of an enterprise and systematically plans its brand positioning, core values, target audience, and external image. Its focus is not on specific design and execution, but on clarifying 'who the brand is, for whom it exists, and how it can be recognized and trusted in the long term.' This type of consulting typically covers brand positioning and differentiation strategies, brand architecture and portfolio relationships, core brand narrative, visual and communication principles, and a long-term image management framework. It provides unified and sustainable strategic guidance for subsequent visual design, communication placement, and brand operation, and is a fundamental decision-making process for enterprises when upgrading, reshaping, or expanding internationally.
