Buy-Sell Agreement Valuation Services are independent business valuation services provided for arrangements involving the transfer of equity interests of shareholders, partners, or members in private companies, family businesses, partnerships, limited liability companies, and professional service firms. These services focus on calculating, reviewing, and reporting on the overall company value, equity value, minority stakes, controlling stakes, discounts/premiums, valuation dates, valuation standards, valuation methods, and price formulas before and after the occurrence of triggering events stipulated in buy-sell agreements, shareholder agreements, operating agreements, or partnership agreements. Its core functions include providing contestable valuation for shareholder exits, company redemptions, cross-acquisitions, partner withdrawals, death, disability, retirement, divorce, business succession, estate tax, shareholder disputes, and agreement amendments, helping all parties reduce price disputes, tax risks, and uncertainty in agreement enforcement.
