Cargo mats and trunk liners are protective accessories designed to fit the cargo area or trunk of a vehicle, safeguarding the interior from dirt, spills, moisture, and wear. Typically made from durable materials like rubber, plastic, or carpet, they provide a custom fit to the contours of the vehicle's storage space. Cargo mats cover the floor of the area, while trunk liners offer additional protection, extending to the walls or sides of the trunk, depending on the design. These products help maintain the cleanliness and integrity of the vehicle's interior, especially in areas prone to heavy use, like transporting groceries, sports equipment, or pets. They are also easy to clean and replace, making them a practical investment for vehicle owners.
