Clay cleansers are facial cleansers that are formulated with clay to help remove impurities from the skin. Clay cleansers detoxify, brightens, and clarifies the skin. They are designed to remove dirt, oil, and impurities from pores while keeping the skin balanced. Clay cleansers can be used by both men and women. Beauty clinics also use clay cleansers for several skin treatments. Clay cleansers infused with essential oils moisturizes the skin while cleaning the dirt. It can be used daily depending on the properties it has. Clay cleansers are considered ideal for facial cleaning during summers. Since clay cleansers have mud particles it should not be rubbed on the skin, rather it should be gently massaged on to the skin.
