Craft soda, also known as specialty, small-batch, or artisanal soda, is a kind of soda drink brewed in small batches and contain natural ingredients, including natural sweeteners like pure cane sugar, stevia, and honey.

Craft sodas can cost three times as much as a traditional one and they often are in four packs, rather than six- or 12-packs. For instance, a four-pack of 12-ounce glass bottles of Dry Sparkling, a juniper-flavored soda, costs \$5.99, for example, and contain less soda than a regular carbonated beverage.
