The word “drone” is used to describe an unmanned aircraft, and insurance for drones is a type of coverage intended to protect the aircraft itself as well as the aircraft owner against claims due to damage, accidental injury, and more. While buying drone insurance for commercial purchases likely seems like a no-brainer, many drone enthusiasts also buy coverage for recreational use. This buys them peace of mind so they can have fun flying without having to worry about hurting someone or damaging

someone's property.
