A background check or background investigation is the process of looking up and compiling criminal records, commercial records, and financial records of an individual or an organization. Background checks are often requested by employers on job candidates for employment screening, especially on candidates seeking a position that requires high security or a position of trust, such as in a school, courthouse, hospital, financial institution, airport, and government. These checks are traditionally administered by a government agency for a nominal fee, but can also be administered by private companies.

In our report, Background Check refers to the service administered by private companies. The Background Check Services industry comprises companies that offer tenant and employment background screenings to consumers, landlords, corporations and other organizations.
