Recruitment process outsourcing (RPO) is a form of business process outsourcing where third-party providers manage all or part of a company's recruitment process. These solutions blend recruiters and technology to manage talent acquisition processes. RPO providers work with HR personnel and hiring managers by providing forecasting, sourcing, assessments, hiring, onboarding, and reporting, with the aim of streamlining the recruitment process. Companies and HR departments leverage

recruitment process outsourcing to reduce the cost-to-hire and time-to-hire, as well as improve the employer and candidate experience. RPO providers differ from recruitment agencies and staffing agencies in that they take ownership of the implementation and management of a company's recruiting process.
