## Abstracts

The report requires updating with new data and is sent in 48 hours after order is placed.

Equity Crowdfunding (also known as crowd-investing or investment crowdfunding) is a method of raising capital used by startups and early-stage companies. Essentially, Equity Crowdfunding Platforms offers the company's securities to a number of potential investors in exchange for financing. Each investor is entitled to a stake in the company proportional to their investment.

Equity Crowdfunding Platforms is quite different from other crowdfunding methods such as rewards crowdfunding and donation crowdfunding. The model provides a more conventional capital-raising method by offering financial securities to investors.
