Eye Smudge Brush comes with thickly stuffed strands that smudge Colorbar eyeliners and eye shadows for that extremely smoky impact. The little brush-head gives unlimited authority over application smear super-fine eyeliner, or mix any of our high-color metallic shadows. The super delicate strands mix without holding shades from your valuable cosmetics – all the rich tone, and all the smoky mix, all as the night progressed. An Eye Smudge Brush is ideal for applying and Smudging, thick explosions of shading. Regardless of whether you use it to mix in a kohl liner or vigorously pigmented shadow, a smirch brush can assist you with applying shading where you need it without a wreck.
