## Abstracts

The global Film Translation Services market size is predicted to grow from US\$ 212 million in 2025 to US\$ 356 million in 2032; it is expected to grow at a CAGR of 7.4% from 2026 to 2032.

Film translation services refer to the professional service of translating film content from one language to another or more languages. The core principle is to achieve cross-linguistic and cultural dissemination while maintaining the artistic integrity and narrative fluency of the film. Services encompass subtitle translation, dubbing production, assisted subtitles (SDH), and multilingual version management. These services must balance linguistic accuracy, cultural compatibility, time synchronization, and lip-syncing, while also meeting the technical standards and compliance requirements of different distribution channels.

United States market for Film Translation Services is estimated to increase from US\$ million in 2025 to US\$ million by 2032, at a CAGR of % from 2026 through 2032.
