This report studies the Juvenile Life Insurance market. Juvenile Life Insurance is permanent Life Insurance that insures the life of a child (generally under age 18). It is a financial planning tool that provides a tax advantaged savings vehicle with potential for a lifetime of benefits. Juvenile Life Insurance, or child Life Insurance, is usually purchased to protect a family against the sudden and unexpected costs of a funeral and burial with much lower face values. Should the juvenile survive to their college years it can then take on the form of a financial planning tool.
