The global Large Suitcase market size is predicted to grow from US\$ million in 2025 to US\$ million in 2032; it is expected to grow at a CAGR of %from 2026 to 2032.

A Large Suitcase is a type of luggage that is designed to hold a significant amount of clothing and belongings for longer trips or vacations. These suitcases typically have a capacity of 60 liters or more, providing ample space for packing multiple outfits, shoes, toiletries, and other travel essentials. Large suitcases often feature multiple compartments, pockets, and organizational features to help travelers stay organized while on the go. They may also come with wheels and a retractable handle for easy transportation through airports and other travel environments.

Overall, the trolley bag for luggage market is driven by the need for convenience, durability, and innovative designs. As travel continues to grow, the market is expected to witness further advancements and evolving consumer preferences.
