The global Lead Generation Outsourcing market size is predicted to grow from US\$ 5074 million in 2025 to US\$ 9743 million in 2032; it is expected to grow at a CAGR of 10.0% from 2026 to 2032.

Lead generation outsourcing simply means bringing in an external lead generation company to assist with driving leads into your sales team. Such a company may specialise in one particular aspect of business development ? like cold calling ? or could be a more generalised marketing agency. Every company will be generating demand for their product or service internally in some way. But a fully mature marketing strategy uses multiple channels and methods ? both inbound and outbound ? to deliver more leads and make demand generation more resilient to changes and events outside of a company?s control.
