## Abstracts

According to this study, the global Mattresses, Blinds and Shades market size will reach US\$ million by 2031.

The mattresses, blinds and shades manufacturing market comprises establishments involved in producing mattresses, blinds and shades. Products of the industry include mattresses, venetian blinds, window blinds, shades, curtain, drapery rods, and drapery fixtures.

The demand for organic and eco-friendly mattresses is increasing in many developed and developing economies. This is mainly due to growing consumer preference for healthier products and increasing concerns about harmful chemicals, pesticides and allergies. Organic and eco-friendly mattresses are manufactured using organic and natural materials, which reduce both health and environmental risks. To cater to the growing consumer demand for organic and eco-friendly products, several mattresses manufacturers have switched over to alternative materials such as organic cotton, wool, natural latex, organic latex, plant-based foams, and other plant materials.
