A meditation candle is a candle specifically used during meditation practices to help create a calming and focused atmosphere. These candles are often scented with essential oils like lavender, sandalwood, or frankincense, which can aid in relaxation and concentration. Some meditation candles are designed with symbols or affirmations to further enhance the meditative experience. Lighting a meditation candle can serve as a focal point for attention and can help establish a ritual or routine for meditation sessions.

The global Meditation Candle market size is projected to grow from US\$ million in 2024 to US\$ million in 2030; it is expected to grow at a CAGR of %from 2024 to 2030.
