Abstracts

The global Overbooked Flight Claim Service market size is predicted to grow from US\$ 1000 million in 2025 to US\$ 1415 million in 2032; it is expected to grow at a CAGR of 5.2% from 2026 to 2032.

Overbooked flight claim services have become increasingly popular in recent years due to the rise in the number of overbooked flights. These services help passengers who have been denied boarding due to overbooking to claim compensation from the airline.

The compensation amount varies depending on the airline and the specific circumstances of the overbooking. However, passengers are typically entitled to receive compensation for the inconvenience caused, such as the cost of alternative transportation or accommodation.
