The global Professional Employer Organization Service market size is predicted to grow from US\$ million in 2025 to US\$ million in 2032; it is expected to grow at a CAGR of %from 2026 to 2032.

Professional Employer Organization (PEO) service is a human resources outsourcing service that provides solutions for businesses to employ workers. It can help companies handle complex employment relationship matters, including payroll management, benefits administration, tax compliance, and labor relations. By utilizing a PEO, businesses can reduce HR costs, improve efficiency, and focus on their core operations.

The industry for Professional Employer Organization services is experiencing steady growth. On the upstream side, advancements in HR management technology provide new support for the service. On the downstream side, the increasing demand for flexibility and cost-effectiveness among businesses is driving the need for PEO services. In terms of product specifications, the scope of services is gradually expanding to include employee benefits, performance management, talent recruitment, and more. The future market size is expected to continue expanding, with small and medium-sized enterprises and multinational corporations being major driving forces.
