Abstracts

The global Smoked Andouille market size is predicted to grow from US\$ 691 million in 2025 to US\$ 913 million in 2032; it is expected to grow at a CAGR of 4.1% from 2026 to 2032.

Going forward, the price gap between different brands will narrow. Likewise, gross profit margins will fluctuate. Despite competition issues, investors are still optimistic about the field due to a slight improvement in the global recovery trend and a positive government attitude; more new investments will enter the field in the future.
