A tenant background check service is a service that landlords or property managers use to screen potential tenants before renting out a property to them. This service typically includes a thorough background check on the tenant, which may include checking their credit history, criminal record, rental history, and employment verification. The purpose of a tenant background check service is to help landlords make informed decisions about who they rent their property to and to reduce the risk of renting to tenants who may cause damage or fail to pay rent on time.

The global Tenant Background Check Service market size is projected to grow from US\$ million in 2023 to US\$ million in 2030; it is expected to grow at a CAGR of % from 2024 to 2030.
