Abstracts

The report requires updating with new data and is sent in 48 hours after order is placed.

BB creams were created by German dermatologists to conceal and care for cosmetic surgery scarring. Imported by Korea, BB cream, also known as Blemish Balm or anti-imperfection cream, quickly became Asian women's biggest beauty secret. Today, BB cream has become a product that the western world cannot live without. It creates the illusion of blemish-free skin in one single application and acts as both a foundation and facial cream.
