Total Talent Solution, or TTS for short, refers to a comprehensive talent management approach that integrates various talent sources and management processes. It combines permanent recruitment (RPO) and contingent workforce management (MSP) to provide a holistic solution for enterprises to acquire, manage, and develop talent.

Core Concepts: TTS aims to break down the barriers between different types of talent, including full - time employees and contingent workers such as temporary employees, contractors, and freelancers. By integrating these talent sources, enterprises can have a more comprehensive view of their talent pool, enabling better talent allocation and management.
