A travel kitchen set is a set of portable kitchen utensils designed to meet the cooking and eating needs of travelers on the go. It includes spoons, forks and knives, which are made of similar materials to dinner plates. Some sets also come with multifunctional tableware, such as a spoon or knife with a bottle opener function, which increases practicality. Storage bag This is an important part of the travel kitchen set, which is used to neatly store all the kitchen utensils and tableware together. The material of the storage bag is usually hard-wearing and waterproof nylon cloth, and there are multiple compartments and pockets inside. The kitchen utensils can be classified and stored according to their shapes and sizes, so that travelers can quickly find the tools they need. Some storage bags also have handles or shoulder straps for easy carrying.
