Abstracts

The global Vacational Rental market size is predicted to grow from US$ million in 2025 to US$ million in 2031; it is expected to grow at a CAGR of %from 2025 to 2031.

A vacation rental, also known as a holiday rental or short-term rental, refers to the practice of renting out a furnished property, such as a house, apartment, condominium, or cottage, to travelers on a temporary basis. This form of accommodation has become increasingly popular as an alternative to hotels for individuals or groups seeking more space, privacy, and a home-like atmosphere during their vacations.

The integration of smart home technologies, such as keyless entry systems, smart thermostats, and security systems, to enhance the guest experience and property management efficiency.
