## Abstracts

The report requires updating with new data and is sent in 48 hours after order is placed.

Yoga services encompass a range of activities and offerings designed to support physical, mental, and emotional well-being through the practice of yoga. These services typically include yoga classes of various styles and levels, such as Hatha, Vinyasa, and Ashtanga, which are led by certified instructors to guide participants in postures, breathing techniques, and meditation. Additionally, yoga services may offer personalized instruction through private sessions, workshops on specialized topics, and holistic wellness programs integrating yoga with other practices like mindfulness and nutrition. Yoga services aim to enhance overall health, reduce stress, and promote a balanced lifestyle, catering to individuals of all experience levels from beginners to advanced practitioners.

The global Yoga Services market size is projected to grow from US\$ 131090 million in 2024 to US\$ 234870 million in 2030; it is expected to grow at a CAGR of 10.2% from 2024 to 2030.
