Agriculture and Forestry Service Trends and Forecast

The future of the global agriculture and forestry service market looks promising with opportunities in the construction and industrial good markets. The global agriculture and forestry service market is expected to grow with a CAGR of 8.8% from 2024 to 2030. The major drivers for this market are increase in environmental concerns and rising demand for food.

A more than 150-page report is developed to help in your business decisions. Sample figures with some insights are shown below.

Agriculture and Forestry Service by Segment

The study includes a forecast for the global agriculture and forestry service by type, nature, application, and region.

Agriculture and Forestry Service Market by Type [Shipment Analysis by Value from 2018 to 2030]:

Timber Production

Wood Technology

Forestry Economics and Marketing

Others

Agriculture and Forestry Service Market by Nature [Shipment Analysis by Value from 2018 to 2030]:

Organic

Conventional

Agriculture and Forestry Service Market by Application [Shipment Analysis by Value from 2018 to 2030]:

Construction

Industrial Goods

Agriculture and Forestry Service Market by Region [Shipment Analysis by Value from 2018 to 2030]:

North America

Europe

Asia Pacific

The Rest of the World

List of Agriculture and Forestry Service Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments, infrastructural development, and leverage integration opportunities across the value chain. With these strategies agriculture and forestry service companies cater increasing demand, ensure competitive effectiveness, develop innovative products & technologies,

reduce production costs, and expand their customer base. Some of the agriculture and forestry service companies profiled in this report include-

Cargill Incorporated

Dairy Farmers of America

Bayer

West Fraser Timber

Hancock Victorian Plantations Holdings

Forestry Corporation of NSW

Rayonier

Agriculture and Forestry Service Market Insights

Lucintel forecasts that timber production is expected to witness the highest growth over the forecast period.

Within this market, construction will remain larger segment.

North America will remain the largest region over the forecast period.

Features of the Global Agriculture and Forestry Service Market

Market Size Estimates: Agriculture and forestry service market size estimation in terms of value (\$B).

Trend and Forecast Analysis: Market trends (2018 to 2023) and forecast (2024 to 2030) by various segments and regions.

Segmentation Analysis: Agriculture and forestry service market size by type, nature, application, and region in terms of value (\$B).

Regional Analysis: Agriculture and forestry service market breakdown by North

America, Europe, Asia Pacific, and Rest of the World.

Growth Opportunities: Analysis of growth opportunities in different types, nature, applications, and regions for the agriculture and forestry service market.

Strategic Analysis: This includes M&A, new product development, and competitive landscape of the agriculture and forestry service market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

FAQ

Q1. What is the growth forecast for agriculture and forestry service market?

Answer: The global agriculture and forestry service market is expected to grow with a CAGR of 8.8% from 2024 to 2030.

Q2. What are the major drivers influencing the growth of the agriculture and forestry service market?

Answer: The major drivers for this market are increase in environmental concerns and rising demand for food.

Q3. What are the major segments for agriculture and forestry service market?

Answer: The future of the agriculture and forestry service market looks promising with opportunities in the construction and industrial good markets.

Q4. Who are the key agriculture and forestry service market companies?

Answer: Some of the key agriculture and forestry service companies are as follows:

Cargill Incorporated

Dairy Farmers of America

Bayer

West Fraser Timber

Hancock Victorian Plantations Holdings

Forestry Corporation of NSW

Rayonier

Q5. Which agriculture and forestry service market segment will be the largest in future?

Answer: Lucintel forecasts that timber production is expected to witness the highest growth over the forecast period.

Q6. In agriculture and forestry service market, which region is expected to be the largest in next 5 years?

Answer: North America will remain the largest region over the forecast period.

Q.7 Do we receive customization in this report?

Answer: Yes, Lucintel provides 10% customization without any additional cost.

This report answers following 11 key questions:

Q.1. What are some of the most promising, high-growth opportunities for the agriculture and forestry service market by type (timber production, wood technology, forestry economics and marketing, and others), nature (organic and conventional), application (construction and industrial goods), and region (North America, Europe, Asia Pacific, and the Rest of the World)?

Q.2. Which segments will grow at a faster pace and why?

Q.3. Which region will grow at a faster pace and why?

Q.4. What are the key factors affecting market dynamics? What are the key challenges and business risks in this market?

Q.5. What are the business risks and competitive threats in this market?

Q.6. What are the emerging trends in this market and the reasons behind them?

Q.7. What are some of the changing demands of customers in the market?

Q.8. What are the new developments in the market? Which companies are leading these developments?

Q.9. Who are the major players in this market? What strategic initiatives are key players pursuing for business growth?

Q.10. What are some of the competing products in this market and how big of a threat do they pose for loss of market share by material or product substitution?

Q.11. What M&A activity has occurred in the last 5 years and what has its impact been on the industry?
