CBD Pouch Market Insights

Lucintel forecasts that flavored will remain the larger segment over the forecast period due to the growing introduction of new flavours by major players to attract more customers and increasing demand for CBD pouch with organic sweeteners and herbs to enhance flavour and improve consumer gum and tooth health.

Offline is expected to remain the largest segment due to the easy and wide availability of these products in the offline store and growing sale of CBD product by popular drugstore chains, such as CVS and Walgreens.

North America will remain the largest region due to the growing awareness of the potential of CBD products for well-being and health, cumulative sales of CBD products as a result of its legalization, and increasing sales of CBD pouches by adult smokers in the region.
