Central Venous Catheter Trends and Forecast

The future of the global central venous catheter market looks promising with opportunities in the hospital and cancer treatment center markets. The global central venous catheter market is expected to reach an estimated \$4.4 billion by 2030 with a CAGR of 6.5% from 2024 to 2030. The major drivers for this market are increasing prevalence of kidney diseases, growing number of dialysis patients, and expanding demand for antimicrobial catheters.

A more than 150-page report is developed to help in your business decisions. Sample figures with some insights are shown below.

Central Venous Catheter by Segment

The study includes a forecast for the global central venous catheter by product type, property, design, end use, and region.

Central Venous Catheter Market by Product Type [Shipment Analysis by Value from 2018 to 2030]:

Tunneled Catheters

Non-Tunneled Catheters

Central Venous Catheter Market by Property [Shipment Analysis by Value from 2018 to 2030]:

Antimicrobial Catheters

Non-Antimicrobial Catheters

Central Venous Catheter Market by Design [Shipment Analysis by Value from 2018 to 2030]:

Single Lumen

Double Lumen

Multiple Lumen

Central Venous Catheter Market by End Use [Shipment Analysis by Value from 2018 to 2030]:

Hospital

Cancer Treatment Centers

Others

Central Venous Catheter Market by Region [Shipment Analysis by Value from 2018 to 2030]:

North America

Europe

Asia Pacific

The Rest of the World

List of Central Venous Catheter Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments, infrastructural development, and leverage integration opportunities across the value chain. With these strategies central venous catheter companies cater increasing demand, ensure competitive effectiveness, develop innovative products & technologies, reduce production costs, and expand their customer base. Some of the central venous catheter companies profiled in this report include-

Rex Medical

B. Braun

Teleflex

AngioDynamics

ICU Medical

VYGON

Medtronic

Merit Medical Systems

Asahi Kasei

Becton, Dickinson and Company

Central Venous Catheter Market Insights

Lucintel forecasts that non-tunneled catheter will remain larger segment over the forecast period.

Within this market, hospital will remain larger segment over the forecast period.

North America will remain the largest region over the forecast period.

Features of the Global Central Venous Catheter Market

Market Size Estimates: Central venous catheter market size estimation in terms of value (\$B).

Trend and Forecast Analysis: Market trends (2018 to 2023) and forecast (2024 to 2030) by various segments and regions.

Segmentation Analysis: Central venous catheter market size by various segments, such as by product type, property, design, end use, and region in terms of value (\$B).

Regional Analysis: Central venous catheter market breakdown by North America, Europe, Asia Pacific, and Rest of the World.

Growth Opportunities: Analysis of growth opportunities in different product types, properties, designs, end uses, and regions for the central venous catheter market.

Strategic Analysis: This includes M&A, new product development, and competitive landscape of the central venous catheter market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

FAQ

Q1. What is the central venous catheter market size?

Answer: The global central venous catheter market is expected to reach an estimated \$4.4 billion by 2030.

Q2. What is the growth forecast for central venous catheter market?

Answer: The global central venous catheter market is expected to grow with a CAGR of 6.5% from 2024 to 2030.

Q3. What are the major drivers influencing the growth of the central venous catheter market?

Answer: The major drivers for this market are increasing prevalence of kidney diseases,

growing number of dialysis patients, and expanding demand for antimicrobial catheters.

Q4. What are the major segments for central venous catheter market?

Answer: The future of the central venous catheter market looks promising with opportunities in the hospital and cancer treatment center markets.

Q5. Who are the key central venous catheter market companies?

Answer: Some of the key central venous catheter companies are as follows:

Rex Medical

B. Braun

Teleflex

AngioDynamics

ICU Medical

VYGON

Medtronic

Merit Medical Systems

Asahi Kasei

Becton, Dickinson and Company

Q6. Which central venous catheter market segment will be the largest in future?

Answer: Lucintel forecasts that non-tunneled catheter will remain larger segment over the forecast period.

Q7. In central venous catheter market, which region is expected to be the largest in next 5 years?

Answer: North America will remain the largest region over the forecast period.

Q.8 Do we receive customization in this report?

Answer: Yes, Lucintel provides 10% customization without any additional cost.

This report answers following 11 key questions:

Q.1. What are some of the most promising, high-growth opportunities for the central venous catheter market by product type (tunneled catheters and non-tunneled catheters), property (antimicrobial catheters and non-antimicrobial catheters), design (single lumen, double lumen, and multiple lumen), end use (hospital, cancer treatment centers, and others), and region (North America, Europe, Asia Pacific, and the Rest of the World)?

Q.2. Which segments will grow at a faster pace and why?

Q.3. Which region will grow at a faster pace and why?

Q.4. What are the key factors affecting market dynamics? What are the key challenges and business risks in this market?

Q.5. What are the business risks and competitive threats in this market?

Q.6. What are the emerging trends in this market and the reasons behind them?

Q.7. What are some of the changing demands of customers in the market?

Q.8. What are the new developments in the market? Which companies are leading these developments?

Q.9. Who are the major players in this market? What strategic initiatives are key players pursuing for business growth?

Q.10. What are some of the competing products in this market and how big of a threat do they pose for loss of market share by material or product substitution?

Q.11. What M&A activity has occurred in the last 5 years and what has its impact been

on the industry?

For any questions related to Central Venous Catheter Market, Central Venous Catheter Market Size, Central Venous Catheter Market Growth, Central Venous Catheter Market Analysis, Central Venous Catheter Market Report, Central Venous Catheter Market Share, Central Venous Catheter Market Trends, Central Venous Catheter Market Forecast, Central Venous Catheter Companies, write Lucintel analyst at email: helpdesk@lucintel.com. We will be glad to get back to you soon.

Contents

1. EXECUTIVE SUMMARY

2. GLOBAL CENTRAL VENOUS CATHETER MARKET : MARKET DYNAMICS

2.1: Introduction, Background, and Classifications

2.2: Supply Chain

2.3: Industry Drivers and Challenges

3. MARKET TRENDS AND FORECAST ANALYSIS FROM 2018 TO 2030

3.1. Macroeconomic Trends (2018-2023) and Forecast (2024-2030)

3.2. Global Central Venous Catheter Market Trends (2018-2023) and Forecast (2024-2030)

3.3: Global Central Venous Catheter Market by Product Type

3.3.1: Tunneled Catheters

3.3.2: Non-Tunneled Catheters

3.4: Global Central Venous Catheter Market by Property

3.4.1: Antimicrobial Catheters

3.4.2: Non-Antimicrobial Catheters

3.5: Global Central Venous Catheter Market by Design

3.5.1: Single Lumen

3.5.2: Double Lumen

3.5.3: Multiple Lumen

3.6: Global Central Venous Catheter Market by End Use

3.6.1: Hospital

3.6.2: Cancer Treatment Centers

3.6.3: Others

4. MARKET TRENDS AND FORECAST ANALYSIS BY REGION FROM 2018 TO 2030

4.1: Global Central Venous Catheter Market by Region

4.2: North American Central Venous Catheter Market

4.2.1: North American Central Venous Catheter Market by Product Type: Tunneled Catheters and Non-Tunneled Catheters

4.2.2: North American Central Venous Catheter Market by End Use: Hospital, Cancer Treatment Centers, and Others

4.3: European Central Venous Catheter Market

4.3.1: European Central Venous Catheter Market by Product Type: Tunneled Catheters and Non-Tunneled Catheters

4.3.2: European Central Venous Catheter Market by End Use: Hospital, Cancer Treatment Centers, and Others

4.4: APAC Central Venous Catheter Market

4.4.1: APAC Central Venous Catheter Market by Product Type: Tunneled Catheters and Non-Tunneled Catheters

4.4.2: APAC Central Venous Catheter Market by End Use: Hospital, Cancer Treatment Centers, and Others

4.5: ROW Central Venous Catheter Market

4.5.1: ROW Central Venous Catheter Market by Product Type: Tunneled Catheters and Non-Tunneled Catheters

4.5.2: ROW Central Venous Catheter Market by End Use: Hospital, Cancer Treatment Centers, and Others

5. COMPETITOR ANALYSIS

5.1: Product Portfolio Analysis

5.2: Operational Integration

5.3: Porter's Five Forces Analysis

6. GROWTH OPPORTUNITIES AND STRATEGIC ANALYSIS

6.1: Growth Opportunity Analysis

6.1.1: Growth Opportunities for the Global Central Venous Catheter Market by Product Type

6.1.2: Growth Opportunities for the Global Central Venous Catheter Market by Property

6.1.3: Growth Opportunities for the Global Central Venous Catheter Market by Design

6.1.4: Growth Opportunities for the Global Central Venous Catheter Market by End Use

6.1.5: Growth Opportunities for the Global Central Venous Catheter Market by Region

6.2: Emerging Trends in the Global Central Venous Catheter Market

6.3: Strategic Analysis

6.3.1: New Product Development

6.3.2: Capacity Expansion of the Global Central Venous Catheter Market

6.3.3: Mergers, Acquisitions, and Joint Ventures in the Global Central Venous Catheter Market

6.3.4: Certification and Licensing

7. COMPANY PROFILES OF LEADING PLAYERS

7.1: Rex Medical

7.2: B. Braun

7.3: Teleflex

7.4: AngioDynamics

7.5: ICU Medical

7.6: Vygon

7.7: Medtronic

7.8: Merit Medical Systems

7.9: Asahi Kasei

7.10: Becton, Dickinson and Company
