A more than 150-page report is developed to help in your business decisions. Sample figures with some insights are shown below.

Continuing Medical Education (CME) by Segment

The study includes a forecast for the global continuing medical education (CME) by delivery method, providers, speciality, and region.

Continuing Medical Education (CME) Market by Delivery Method [Shipment Analysis by Value from 2018 to 2030]:

Classroom Training

E-Learning

Regularly Scheduled Series

Journals

Others

Continuing Medical Education (CME) Market by Providers [Shipment Analysis by Value from 2018 to 2030]:

NPOS

Publishing/Education Company

School Of Medicine

Hospital/Healthcare Delivery System

Others

Continuing Medical Education (CME) Market by Speciality [Shipment Analysis by Value from 2018 to 2030]:

Oncology

Cardiology

Infectious Disease

Orthopedic

Gastroenterology

Pediatric

Primary Care

Others

Continuing Medical Education (CME) Market by Region [Shipment Analysis by Value from 2018 to 2030]:

North America

Europe

Asia Pacific

The Rest of the World

List of Continuing Medical Education (CME) Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments, infrastructural development, and leverage integration opportunities across the value chain. With these strategies continuing medical education (CME) companies cater increasing demand, ensure competitive effectiveness, develop innovative products & technologies, reduce production costs, and expand their customer base. Some of the continuing medical education (CME) companies profiled in this report include-

Affinity

Afya

CME Outfitters

CME Procedures

Coursera

Elsevier

Excel CME

HealthStream

Koninklijke Philips

Siemens Healthineers

Continuing Medical Education (CME) Market Insights

Lucintel forecasts that classroom training will remain the largest segment over the forecast period.

Within this market, oncology is expected to witness the highest growth.

North America will remain the largest region over the forecast period.

Features of the Global Continuing Medical Education (CME) Market

Market Size Estimates: Continuing medical education (CME) market size estimation in terms of value (\$B).

Trend and Forecast Analysis: Market trends (2018 to 2023) and forecast (2024 to 2030) by various segments and regions.

Segmentation Analysis: Continuing medical education (CME) market size by delivery method, providers, speciality, and region in terms of value (\$B).

Regional Analysis: Continuing medical education (CME) market breakdown by North America, Europe, Asia Pacific, and Rest of the World.

Growth Opportunities: Analysis of growth opportunities in different delivery methods, providers, speciality, and regions for the continuing medical education (CME) market.

Strategic Analysis: This includes M&A, new product development, and competitive landscape of the continuing medical education (CME) market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

FAQ

Q1. What is the growth forecast for continuing medical education (CME) market?

Answer: The global continuing medical education (CME) market is expected to grow with a CAGR of 6.5% from 2024 to 2030.

Q2. What are the major drivers influencing the growth of the continuing medical education (CME) market?

Answer: The major drivers for this market are growing occurrence of new infections and diseases and increasing government initiatives to deliver quality education to professionals.

Q3. What are the major segments for continuing medical education (CME) market?

Answer: The future of the continuing medical education (CME) market looks promising with opportunities in the oncology, cardiology, infectious disease, orthopedic, gastroenterology, pediatric, and primary care markets.

Q4. Who are the key continuing medical education (CME) market companies?

Answer: Some of the key continuing medical education (CME) companies are as follows:

Affinity

Afya

CME Outfitters

CME Procedures

Coursera

Elsevier

Excel CME

HealthStream

Koninklijke Philips

Siemens Healthineers

Q5. Which continuing medical education (CME) market segment will be the largest in future?

Answer: Lucintel forecasts that classroom training will remain the largest segment over the forecast period.

Q6. In continuing medical education (CME) market, which region is expected to be the largest in next 5 years?

Answer: North America will remain the largest region over the forecast period.

Q7. Do we receive customization in this report?

Answer: Yes, Lucintel provides 10% customization without any additional cost.

This report answers following 11 key questions:

Q.1. What are some of the most promising, high-growth opportunities for the continuing medical education (CME) market by delivery method (classroom training, e-learning, regularly scheduled series, journals, and others), providers (NPOS, publishing/education company, school of medicine, hospital/healthcare delivery system, and others), speciality (oncology, cardiology, infectious disease, orthopedic, gastroenterology, pediatric, primary care, and others), and region (North America, Europe, Asia Pacific, and the Rest of the World)?

Q.2. Which segments will grow at a faster pace and why?

Q.3. Which region will grow at a faster pace and why?

Q.4. What are the key factors affecting market dynamics? What are the key challenges and business risks in this market?

Q.5. What are the business risks and competitive threats in this market?

Q.6. What are the emerging trends in this market and the reasons behind them?

Q.7. What are some of the changing demands of customers in the market?

Q.8. What are the new developments in the market? Which companies are leading these developments?

Q.9. Who are the major players in this market? What strategic initiatives are key players pursuing for business growth?

Q.10. What are some of the competing products in this market and how big of a threat do they pose for loss of market share by material or product substitution?

Q.11. What M&A activity has occurred in the last 5 years and what has its impact been on the industry?

For any questions related to Continuing Medical Education (CME) Market, Continuing Medical Education (CME) Market Size, Continuing Medical Education (CME) Market Growth, Continuing Medical Education (CME) Market Analysis, Continuing Medical Education (CME) Market Report, Continuing Medical Education (CME) Market Share, Continuing Medical Education (CME) Market Trends, Continuing Medical Education (CME) Market Forecast, Continuing Medical Education (CME) Companies, write Lucintel analyst at email: helpdesk@lucintel.com.
