### FPC Antenna Market Trends and Forecast

The future of the global FPC antenna market looks promising with opportunities in the mobile device, automotive, and IoT applications. The global FPC antenna market is expected to reach an estimated \$4.5 billion by 2028 with a CAGR of 5.2% from 2023 to 2028. The major drivers for this market are growing demand for antennas with smaller size and complicated radiation patterns and ongoing technological advancement in wireless devices.

A more than 150-page report is developed to help in your business decisions. A sample figure with some insights is shown below.

### FPC Antenna Market by Segment

The study includes trends and forecast for the global FPC antenna market by product type, application, and region, as follows:

FPC Antenna Market by Product Type [Value (\$B) Shipment Analysis from 2017 to 2028]:

Internal

External

FPC Antenna Market by Application [Value (\$B) Shipment Analysis from 2017 to 2028]:

Mobile Devices

Automotive

IoT

FPC Antenna Market by Region [Value (\$B) Shipment Analysis from 2017 to 2028]:

North America

Europe

Asia Pacific

The Rest of the World

List of FPC Antenna Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments, infrastructural development, and leverage integration opportunities across the value chain. With these strategies, FPC antenna companies cater to increasing demand, ensure competitive effectiveness, develop innovative products & technologies, reduce production costs, and expand their customer base. Some of the FPC antenna companies profiled in this report include-

Amphenol

Luxshare Precision

Molex

Pulse Electronics

Shenzhen Sunway Communication

## FPC Antenna Market Insights

Lucintel forecasts that internal will remain the larger product type segment over the forecast period as it is affordable, can be easily manufactured, and provides complete inside coverage.

Mobile devices are expected to remain the largest application segment due to increasing use of FPC antennas in wireless connection, portable and small devices, and enhancing electromagnetic compatibility (EMC) and radio frequency interference.

North America will remain the largest region due to growing demand for FPC antennas from the mobile device industry and the presence key market players in the region.

## Features of the FPC Antenna Market

**Market Size Estimates:** FPC antenna market size estimation in terms of value (\$B)

**Trend And Forecast Analysis:** Market trends (2017-2022) and forecast (2023-2028) by various segments and regions.

**Segmentation Analysis:** FPC antenna market size by various segments, such as by product type, application, and region

**Regional Analysis:** FPC antenna market breakdown by North America, Europe, Asia Pacific, and the Rest of the World.

**Growth Opportunities:** Analysis on growth opportunities in different product types, applications, and regions for the FPC antenna market.

**Strategic Analysis:** This includes M&A, new product development, and competitive landscape for the FPC antenna market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

## FAQ

Q1. What is the FPC antenna market size?

Answer: The global FPC antenna market is expected to reach an estimated \$4.5 billion by 2028.

Q2. What is the growth forecast for FPC antenna market?

Answer: The global FPC antenna market is expected to grow with a CAGR of 5.2% from 2023 to 2028.

Q3. What are the major drivers influencing the growth of the FPC antenna market?

Answer: The major drivers for this market are growing demand for antennas with smaller size and complicated radiation patterns and ongoing technological advancement in wireless devices.

Q4. What are the major segments for FPC antenna market?

Answer: The future of the FPC antenna market looks promising with opportunities in the mobile device, automotive, and IoT applications.

Q5. Who are the key FPC antenna companies?

Answer: Some of the key FPC antenna companies are as follows:

Amphenol

Luxshare Precision

Molex

Pulse Electronics

## Shenzhen Sunway Communication

Q6. Which FPC antenna segment will be the largest in future?

Answer: Lucintel forecasts that internal will remain the larger product type segment over the forecast period as it is affordable, can be easily manufactured, and provides complete inside coverage.

Q7. In FPC antenna market, which region is expected to be the largest in next 5 years?

Answer: North America will remain the largest region due to growing demand for FPC antennas from the mobile device industry and the presence key market players in the region.

Q8. Do we receive customization in this report?

Answer: Yes, Lucintel provides 10% Customization Without any Additional Cost.

This report answers following 11 key questions

Q.1. What are some of the most promising, high-growth opportunities for the global FPC antenna market by product type (internal and external), application (mobile devices, automotive, and IoT), and region (North America, Europe, Asia Pacific, and the Rest of the World)?

Q.2. Which segments will grow at a faster pace and why?

Q.3. Which region will grow at a faster pace and why?

Q.4. What are the key factors affecting market dynamics? What are the key challenges and business risks in this market?

Q.5. What are the business risks and competitive threats in this market?

Q.6. What are the emerging trends in this market and the reasons behind them?

Q.7. What are some of the changing demands of customers in the market?

Q.8. What are the new developments in the market? Which companies are leading these developments?

Q.9. Who are the major players in this market? What strategic initiatives are key players pursuing for business growth?

Q.10. What are some of the competing products in this market and how big of a threat do they pose for loss of market share by material or product substitution?

Q.11. What M&A activity has occurred in the last five years and what has its impact been on the industry?

For any questions related to FPC antenna market or related to FPC antenna companies, FPC antenna market size, FPC antenna market share, FPC antenna analysis, FPC antenna market growth, FPC antenna market research, write Lucintel analyst at email: [helpdesk@lucintel.com](mailto:helpdesk@lucintel.com) we will be glad to get back to you soon.
