Abstracts

According to this report, the global emulsifier market in the food and beverages industry registered moderate growth during 2007-2012. The market is forecast to reach \$2.76 billion in 2018 with good growth over the next five years. The global emulsifier market is growing vigorously in Asia Pacific (APAC) and the Rest of the World (ROW) mainly due to the strong economic performance of China and India. APAC and ROW witnessed the highest growth rates among the four global regions during 2007-2012.

The global emulsifier market in the food and beverages industry registered moderate growth during 2007-2012. The market is forecast to reach \$2.76 billion in 2018 with good growth over the next five years. The global emulsifier market is growing vigorously in Asia Pacific (APAC) and the Rest of the World (ROW) mainly due to the strong economic performance of China and India. APAC and ROW witnessed the highest growth rates among the four global regions during 2007-2012.

Lucintel, a leading global management consulting and market research firm, has analyzed the global emulsifier market in the food and beverages industry and offers its findings in its research report, Global Emulsifier Market in Food and Beverages Industry 2013-2018: Trend, Forecast, and Opportunity Analysis. The report studies the global emulsifier market in food and beverages industry worldwide with an in-depth analysis of North America, Europe, APAC, and ROW.

Lucintel identifies that enzymes that are emerging as substitutes for emulsifiers, technology, economic factor, and high legal obligations as major market growth challenges. Emergence of potential market demand, economic and market growth, fitness awareness, and education regarding the harmful effects of trans fats are the

drivers that provide the market with competitive advantage. Increased activity in emulsifier development is taking place, particularly in APAC.

This market report is an indispensable reference guide for materials suppliers, product manufacturers, investors, executives, distributors, and many more that operate in this market. This Lucintel research report provides an excellent understanding of recent market scope and overview, global macroeconomic overview, relative market attractiveness by region, annual market trend, emerging trends, market forecasts, Porters Five Forces Analysis, product launches, competitive landscape, and profitability trend and analysis of the major market players.

This unique report from Lucintel will provide you with valuable information, insights, and tools needed to identify new growth opportunities and operate your business successfully in this market. This report will save hundreds of hours of your own personal research time and will significantly benefit you in expanding your business in this market. In today's stringent economy, you need every advantage that you can find.

To make business, investment, and strategic decisions, you need timely, useful information. This market report fulfills this core need and is an indispensable reference guide for multinational materials suppliers, product manufacturers, investors, executives, distributors, and many more that operate in this market.

Some of the features of Global Emulsifier Market in Food and Beverages Industry 2013-2018: Trend, Forecast, and Opportunity Analysis include:

Global emulsifier market in food and beverages industry and by applications in terms of value

Regional analysis of the opportunities of emulsifier market in food and beverages industry by the key regions of North America, Europe, Asia Pacific, and Rest of the World in terms of value

Global emulsifier market in food and beverages industry trend (2007-2012) & forecast (2013-2018) by region and by application in terms of value

Growth opportunities and emerging trends in global emulsifier market in food and beverages industry

More than 42 figures/charts and 11 tables are provided in this roughly 60-page

report

Contents

CHAPTER 1. EXECUTIVE SUMMARY

CHAPTER 2. EMULSIFIER MARKET BACKGROUND AND CLASSIFICATIONS

- 2.1: Emulsifier background
- 2.2: Industry classification

CHAPTER 3. GLOBAL EMULSIFIER MARKET ANALYSIS

- 3.1: Emulsifier market overview
- 3.2: Market concentration
- 3.3: Competitive analysis
 - 3.3.1: Product mapping: breadth of product offerings
- 3.4: Global emulsifier market by segment:
- 3.5: Regional analysis

CHAPTER 4. EMULSIFIER MARKET TRENDS

- 4.1: Trends in global emulsifier market
- 4.2: Market trends by region
 - 4.2.1: Trends in North American emulsifier market
 - 4.2.2: Trends in European emulsifier market
 - 4.2.3: Trends in APAC emulsifier market
 - 4.2.4: Trends in ROW emulsifier market
- 4.3: Emulsifier profitability analysis
 - 4.3.1: Cost structure for global emulsifier market: 2007-2012
 - 4.3.2: Regional trend: cost structure for emulsifier market

CHAPTER 5. EMULSIFIER MARKET FORECAST

- 5.1: Market forecast overview
- 5.2: Market forecast by application
- 5.3: Market forecast by region

CHAPTER 6. GROWTH OPPORTUNITIES AND EMERGING EMULSIFIER APPLICATIONS

- 6.1: Growth matrix
- 6.2: Growth opportunities
- 6.3: Challenges in emulsifier market

CHAPTER 7. EMERGING MATERIALS FOR THE EMULSIFIER MARKET

- 7.1: New materials development
