Abstracts

According to this report, the security services industry comprises establishments primarily engaged in providing guard and patrol services, armored car services including picking up and delivering money, receipts or other valuable items with personnel and equipment to protect such properties while in transit, and security system services. The industry is fragmented with leading top five players, Tyco International Ltd., G4S Plc., Securitas AB, Secom Co., Ltd. and Prosegur Compania accounting for approximately 26.5% in 2012. The global security services industry revenue is forecasted to reach an estimated US \$220.9 billion in 2018 with a moderate growth over the next five years (2013-2018).

The security services industry comprises establishments primarily engaged in providing guard and patrol services, armored car services including picking up and delivering money, receipts or other valuable items with personnel and equipment to protect such properties while in transit, and security system services. The industry is fragmented with leading top five players, Tyco International Ltd., G4S Plc., Securitas AB, Secom Co., Ltd. and Prosegur Compania accounting for approximately 26.5% in 2012. The global security services industry revenue is forecasted to reach an estimated US \$220.9 billion in 2018 with a moderate growth over the next five years (2013-2018).

Lucintel, a leading global management consulting and market research firm, has conducted a competitive analysis of the industry and presents its findings in Global Security Services Industry 2013-2018: Trend, Profit, and Forecast Analysis. North American region dominates the industry and represents the maximum industry share. A continuous modernization and technological expansion, government policies and safety regulations is seen to impact industry dynamics significantly.

Lucintel's report gives a brief overview of the industry challenges. The industry needs to follow government regulation and the industry has to face litigations. New technological advances adopted by companies in this industry leads to intense competition and both the small and large players have to bear high costs. Attracting and retaining customers, and competing on price and quality of service are challenges for the industry.

Despite challenges, the study highlights on the growth drivers. The industry is gradually seeing increased privatization and service contracting. Increasing urbanization, rapid economic development and consequent asset creation are drivers of growth for this industry. High growth in sectors such as retailing and real estate are adding impetus to growth.

This market report is an indispensable reference guide for security equipment manufacturing companies, personnel working in this industry, investors investing in this industry, and many more who operate in this industry. To make business, investment, and strategic decisions, timely, useful information is needed which is fulfilled by this market report.

This comprehensive guide from Lucintel provides readers with valuable information and the tools needed to successfully drive critical business decisions with a thorough understanding of the markets potential. This report will save Lucintel clients hundreds of hours in personal research time on a global market and it offers significant benefits in expanding business opportunities throughout the global industry analysis. In a fast-paced ever-changing world, business leaders need every advantage available to them in a timely manner to drive change in the market and to stay ahead of their competition. This report provides business leaders with a keen advantage in this regard by making them aware of emerging trends and demand requirements on an annual basis.

To make any investment or strategic decision, you need adequate and timely information. This market report fulfills this core need. **Some of the features of this market report are:**

Industry size estimates in terms of (US \$) value by regions and by segment

Global security services industry analysis annual trend (2007-2012) and forecast (2013-2018)

Porters Five Force analysis

New product launch and merger and acquisition activity in global security services industry analysis

Quarterly demand trend (Q1 2011-Q4 2012) and forecast analysis (Q1 2013-Q4 2014) for global security services industry analysis

Gross and net profit trends in the global security services industry analysis

Cost structure trend in the global as well as regional security services analysis

More than 48 valuable figures/charts and 12 tables are provided in this report

Contents

- 1. EXECUTIVE SUMMARY**
- 2. INDUSTRY DEFINITION AND SCOPE**
- 3. INDUSTRY OVERVIEW**
- 4. GLOBAL MACROECONOMIC OVERVIEW**
- 5. INDUSTRY TRENDS**
- 6. INDUSTRY FORECASTS**
- 7. EMERGING TRENDS**
- 8. CONCLUSIONS**
