Malted Barley Trends and Forecast

The future of the global malted barley market looks promising with opportunities in the brewing industry, food industry, and pharmaceutical markets. The global malted barley market is expected to grow with a CAGR of 3.7% from 2024 to 2030. The major drivers for this market are growing demand for craft beer and malt-based beverages, rise of distilling industry, and increasing preference for natural and specialty ingredients in food and beverage sector.

A more than 150-page report is developed to help in your business decisions. Sample figures with some insights are shown below.

Malted Barley by Segment

The study includes a forecast for the global malted barley by type, application, and region.

Malted Barley Market by Type [Shipment Analysis by Value from 2018 to 2030]:

Basic Malt

Special Malt

Malted Barley Market by Application [Shipment Analysis by Value from 2018 to 2030]:

Brewing Industry

Food Industry

Pharmaceutical

Others

Malted Barley Market by Region [Shipment Analysis by Value from 2018 to 2030]:

North America

Europe

Asia Pacific

The Rest of the World

List of Malted Barley Companies

Companies in the market compete on the basis of product quality offered. Major players in this market focus on expanding their manufacturing facilities, R&D investments, infrastructural development, and leverage integration opportunities across the value chain. With these strategies malted barley companies cater increasing demand, ensure competitive effectiveness, develop innovative products & technologies, reduce production costs, and expand their customer base. Some of the malted barley companies profiled in this report include-

Cargill

COFCO International

Heineken

Ab InBev

Avangard-Agro

Groupe Soufflet

Dohler

IREKS

GrainCorp Malt

Malteurop

Malted Barley Market Insights

Lucintel forecasts that basic malt is expected to witness higher growth.

Within this market, brewing industry is expected to witness the highest growth.

APAC is expected to witness the highest growth.

Features of the Global Malted Barley Market

Market Size Estimates: Malted barley market size estimation in terms of value (\$B).

Trend and Forecast Analysis: Market trends (2018 to 2023) and forecast (2024 to 2030) by various segments and regions.

Segmentation Analysis: Malted barley market size by type, application, and region in terms of value (\$B).

Regional Analysis: Malted barley market breakdown by North America, Europe, Asia Pacific, and Rest of the World.

Growth Opportunities: Analysis of growth opportunities in different types, applications, and regions for the malted barley market.

Strategic Analysis: This includes M&A, new product development, and competitive

landscape of the malted barley market.

Analysis of competitive intensity of the industry based on Porter's Five Forces model.

FAQ

Q1. What is the growth forecast for malted barley market?

Answer: The global malted barley market is expected to grow with a CAGR of 3.7% from 2024 to 2030.

Q2. What are the major drivers influencing the growth of the malted barley market?

Answer: The major drivers for this market are growing demand for craft beer and malt-based beverages, rise of distilling industry, and increasing preference for natural and specialty ingredients in food and beverage sector.

Q3. What are the major segments for malted barley market?

Answer: The future of the malted barley market looks promising with opportunities in the brewing industry, food industry, and pharmaceutical markets.

Q4. Who are the key malted barley market companies?

Answer: Some of the key malted barley companies are as follows:

Cargill

COFCO International

Heineken

Ab InBev

Avangard-Agro

Groupe Soufflet

Dohler

IREKS

GrainCorp Malt

Malteurop

Q5. Which malted barley market segment will be the largest in future?

Answer: Lucintel forecasts that basic malt is expected to witness higher growth.

Q6. In malted barley market, which region is expected to be the largest in next 5 years?

Answer: APAC is expected to witness the highest growth.

Q7. Do we receive customization in this report?

Answer: Yes, Lucintel provides 10% customization without any additional cost.

This report answers following 11 key questions:

Q.1. What are some of the most promising, high-growth opportunities for the malted barley market by type (basic malt and special malt), application (brewing industry, food industry, pharmaceutical, and others), and region (North America, Europe, Asia Pacific, and the Rest of the World)?

Q.2. Which segments will grow at a faster pace and why?

Q.3. Which region will grow at a faster pace and why?

Q.4. What are the key factors affecting market dynamics? What are the key challenges and business risks in this market?

Q.5. What are the business risks and competitive threats in this market?

Q.6. What are the emerging trends in this market and the reasons behind them?

Q.7. What are some of the changing demands of customers in the market?

Q.8. What are the new developments in the market? Which companies are leading these developments?

Q.9. Who are the major players in this market? What strategic initiatives are key players pursuing for business growth?

Q.10. What are some of the competing products in this market and how big of a threat do they pose for loss of market share by material or product substitution?

Q.11. What M&A activity has occurred in the last 5 years and what has its impact been on the industry?

For any questions related to Malted Barley Market, Malted Barley Market Size, Malted Barley Market Growth, Malted Barley Market Analysis, Malted Barley Market Report, Malted Barley Market Share, Malted Barley Market Trends, Malted Barley Market Forecast, Malted Barley Companies, write Lucintel analyst at email: helpdesk@lucintel.com.
